Memories Service Sunday 2nd November at 6.30pm.

This is a quiet reflective service when we can remember those whom we have loved and lost. There will be opportunity to give thanks and light a candle in memory of a loved one. All are welcome.

The Oswin Project have been working in the church grounds. Workers have made a great start, but as the work they do is limited to power tools and heavy digging, the church is still very much in need of help with weeding. The border along the long path is an area in need of attention, so if anyone would like to adopt this as a project, please let Moyra know.
